

# LIVERPOOL ARCHITECTURE IS WORLD- RENOWNED

Liverpool, a Unesco World Heritage Site, is one of the UK's greatest cities and has so many wonderful buildings, open spaces and monuments which chart 300 years of its fascinating history.

RIBA Walking Tours help you discover a wide range of architectural styles such as Neoclassical, Georgian, Baroque, Gothic, Art Deco, Brutalist and Modernist and you will learn the story of Liverpool's past, present and future.

The VisitEngland Quality Assured tours are led by RIBA guides who are passionate about the city of Liverpool and its architecture.

If you decide on one activity on your trip to Liverpool, make it one of the RIBA tours. You will see a fantastic range of buildings and some wonderful interiors which you might not see if you tried to do the walk alone. Meticulously planned, with not a minute wasted.
